## PAVER ENGRAVING GUIDELINES

Each line is 20 characters in length; the 6 by 12 brick can contain a total of three lines. A character includes all letters, punctuation, and spaces. Each line must end in a full word (words or names will not be hyphenated and continued on the next line). Please write legibly and carefully, indicating within each box whether the letter is to be upper case or lower case. Please be sure to fill out both pages completely. Thank you for your generous support.
